FOR STRUCTURAL STABILITY CERTIFICATE

I hereby certify that the structural design of 'Colonel's Central Academy (CCA)' building in Sector-4, Gurgaon has been done by me and carried out in accordance with part VI structural design of National Building Code of India and the relevant I.S. Code (with latest amendments corrected upto date.) including I.S. Codes for structures resistant to earthquakes and natural hazards.

The site conditions, such as conditions of soil, its load bearing capacity and the underground water table etc. have been duly kept in view while designing the same.
